

## 2000BPH Monoblock Fillers 100ml-1L Linear Capping Machine

Our Product Introduction

for more products please visit us on tom-packs.com

### Basic Information

- Place of Origin: China
- Brand Name: TOM
- Certification: CE, ISO,CO
- Model Number: DGP-8D-ZX
- Minimum Order Quantity: 1 Set
- Price: Negotiable
- Packaging Details: Sea Worthy Packing
- Delivery Time: 30 working days
- Payment Terms: L/C, T/T
- Supply Ability: 6 sets per month

### Product Specification

- Filling Range: 100ml-1L
- Warranted: 12 Months
- Capacity: 2000bph
- Accuracy: +/-0.5% For 500ml
- Condition: New
- Weight: 1000kg
- Filling Product: Liquid
- Materials: SUS304
- Highlight: **2000BPH monoblock fillers, 100ml monoblock fillers, 1L linear capping machine**

### More Images

## DGP-8D-ZX Fully Automatic Small Capacity Piston Filling And Linear Capping Machine

### Major characteristics:

This machine is mainly composed of electric control system, conveying device, photoelectric detection, feeding device, material tank, liquid level control device, filling device, lifting device, baiting device, bottle jamming device, translation device, bottle blocking device, capping device, transmission and other parts. It's a linear piston filling and capping machine which can suitable for 100ml-1L bottle, change different bottle don't need change any spare parts, it's a ideal choice for OEM customers or some customers with many kinds of bottles and caps.

### Technical parameters:

Suitable Bottle	≥φ18mm
Air pressure	0.5 0.7 Mpa
Infeed direction	from left to right
Total power	3kw
Production capacity	100ml-500ml<2800bottles/hour
Filling head	8
Weight	about 1250kg

### Machine's Pictures:

### Partial Introduce:

Filling part adopts 8 piston filling head which can suitable for high viscosity liquid:

### Capping Part:

centralized control by SUS304

Easy to adjust

capping transmission part

Capping part

Capping part adopts capping wheel which can suitable for the cap without thief circle, don't need change any spare parts when cap changed

**Electrical parts:**

The electrical part are in top side of machine, can prevent water and material inside it, safety and environmental.

**Packaging & shipping:**

Company Overview--Jiangsu Tom Group

#### Tom "The Little White House"

Jiangsu Tom Group is an enterprise specializing in the production of pesticide / veterinary medicine, fertilizer and chemical intelligent equipment. The factory covers an area of 150 acres and has a construction area of 120,558 square meters. It has 710 employees, 2 doctoral students, 30 master students, and 358 undergraduates. It has obtained ISO9001 quality system. Certification, ISO14001 Environmental Management System Certification, OHSAS18001 Occupational Health and Safety System Certification, CE Certification, Jiangsu Province Specialized Specialized New "Little Giant" Enterprise, Changzhou Specialized Specialized New Small and Medium Enterprise, 125 National Utility Patents and 26 National Inventions patent. Over the past 24 years, after the hard work of Tom people, Tom Group has continued to innovate and develop, keeping pace with the times, providing generations of advanced intelligent packaging equipment for more than 3,300 pesticide / veterinary medicine, fertilizer and chemical companies, and building Industry 4.0 intelligent factories for customers; Provide automated three-dimensional warehouse; create smart factory production data acquisition and execution system (MES) for customers.
